Definitions

1 “Perlino” where the context signifies means, stallion, colt, mare, filly, or gelding which carries two copies of the Cream colour gene and one or two copies of Black colour gene and may or may not carry the Agouti allele collectively or singularly.

“Cremello” where the context signifies means, stallion, colt, mare, filly, or gelding which carries two copies of the Cream colour gene and two copies of red colour gene and may or may not carry the Agouti allele collectively or singularly.

“Associated Colour” where the context signifies means, stallion, colt, mare, filly, or gelding collectively or singularly which is not Cremello or Perlino but can be used to breed Cremello or Perlino.

“Buckskin” where the context signifies means, stallion, colt, mare, filly, or gelding which carries one copy of the Cream colour gene, one or two copies of Black colour gene and may or may not carry the Agouti allele collectively or singularly.

“Dun” where the context signifies means, stallion, colt, mare, filly or gelding which carries one or two copies of the Dun colour gene and any solid coat colour collectively or singularly.

“True Dun” is a term describing a homozygous dun which will always throw one copy of the Dun gene to its progeny.

“Appendix” where the context signifies means, stallion, colt, mare, filly or gelding which is an associated colour being the progeny of a Cremello or Perlino but not Cremello or Perlino.

“Cream Appendix” where the context signifies means, stallion, colt, mare, filly or gelding which is an associated colour being the progeny of a Cream but not Buckskin, Dun,

“Cream” where the context signifies means, stallion, colt, mare, filly or gelding which is carrying one (nCr) or two copies (CrCr) of the cream colour gene collectively or singularly

“the registered owner” in relation to the Association denotes the person recorded as the owner of horses recorded in the Association’s records.

“the breed” means the horses as defined in the Regulations of the Association.

“the breeder” of any horse is for the purpose of the Association the registered owner or registered lessee of the Dam at the time of foaling. In the case of the lease, a copy of this lease must be lodged with the Association.

“Homozygous” carrying one copy of a specific colour gene.

“Heterozygous” carrying one copy of a specific colour gene.

Application for Registration

- 2 Applications for registration of all Cremello, Perlino and associated coloured horses shall only be accepted from financial members of the Association.
- 3 All horses submitted for Registration must conform to the following:
 - (a) it must be named
 - (b) it must have a registered brand (see paragraph 36) or it must be microchipped or have been DNA test number.
 - (c) it must not be the progeny of draft, trotter or pacer.
 - (d) it must not show any characteristics or carry colour genes of Silver/Taffy or Champagne, Sabino, Tobiano, Overo, Splash, Appaloosa, Roan, Grey, Pearl, the smut/sooty gene or any colour characteristic that may be deemed detrimental to Cremello and Perlino colour.
 - (e) it must be the progeny of parents that are registered with the Association or any other breed or colour registry recognised by the Association to be registered in Stud Book Class A, refer clause 19 (a).
 - (f) Cremello and Perlino not meeting all the above requirements refer to 11.
- 4
 - (a) Applications are to be made to the Registrar on forms supplied by the Association, each application shall be submitted on the prescribed form containing such information as the Committee shall from time to time prescribe.
 - (b) All applications for registration and Foal recording shall be accompanied by a prescribed fee.
 - (c) All application for registration including foal recording must be accompanied by (1) one photo left side with head facing the camera and all four lower legs showing. Plus photo's of any white marks or scaring. In the case of Duns (1) one photo showing dorsal stripe.
 - (f) A vet certificate confirming hereditary soundness may be requested by the committee to accompany applications for registration with one photo of the horse signed by the vet.
 - (g) Equine DNA Hair Colour tests may be requested of any horse submitted for registration prior to or after the horse has been accepted for registration.
 - (h) Horses may require a physical Inspection by an association approved inspector. In cases where distance is too great, a video of the horse may be submitted, showing all markings and showing the horse being led out at walk, trotted across and straight back to the camera. refer paragraph 26.
- 5 If any member fails to supply the Registrar with any registration requirements or with other information required within 30 days of the original registration application, unless a satisfactory ex-

planation of there action is brought forward, the committee may refuse registration.

6 Applications for registration which are received incorrect by the Registrar will be returned to the applicant concerned, the form must be correctly completed and returned to the registrar. If not returned within 30 days the registration fee lapses and the application must be resubmitted.

7 (a) Certificates of Registration must not be altered in any way. Where an error or omission on the part of the Association is made a duplicate Certificate will be issued once the incorrect Certificate is returned.

(b) A Member whose name has changed by marriage must forward a certificates of registration to the registrar, a fee of \$10.00 will be charged for each certificate issued in the new name.

8 Where a Certificate of Registration is lost by the owner or an error or omission on the certificate is the owners a reissue of certificate fee will be charged.

9 The following Stud Books are recognised by this Association, associations denoted (*) are not recognised for their colour recognition:

- Cremello Perlino Registry Western Australia
- National Buckskin Association (Victoria)
- South Australian Buckskin Association
- Buckskin Association of NSW
- Tasmanian Buckskin Association
- Australian Palomino Horse Breeders Association
- Western Australian Palomino Association
- *Arab Horse Society of Australia, including part bred
- *Australian Stock Horse Society
- *Australian Quarter Horse Association
- American Quarter Horse
- *National Miniature Registry
- *Australian Pony Stud Book (Welsh/Part Welsh, Shetland, Connemara, Australian Pony)
- *Andalusian Stud Book
- *Warmblood Societies
- *Australian Stud Saddle Pony
- *Riding Pony Stud Book
- *Australian Stud Book (thoroughbred)
- *Caspian Pony Stud Book
- *Highland Pony Studbook

10 The Committee may refuse any application for registration, foal recording or transfer without assigning a reason therefore.

Hardship Clause

11 The Committee shall have the authority to declare eligible for registration a horse which, in the majority opinion, is outstanding in conformation, or performance, or produce and is worthy of registration, although lacking some of the rule requirements. The owner of an animal who feel he

has a just hardship case shall make application and tender a fee double the normal registration fee and inspection fee. If the animal is not accepted into the register, half the registration fee will be refunded.

Naming

- 12 (a) The Registration name of a horse registered or foal recorded with the Association, once recorded by the Association shall not be altered, re-registered or new name applied for unless the horse has not previously been shown under that name.
- (b) Names of established families or of celebrated registered Association horses may only be applied to the horse having some ancestral claim thereto and shall not be used if, in the opinion of the Committee, such name could be misleading.
- (c) The Stud Prefix and name of the horse must not exceed 45 characters.
- (d) The full registered name of a horse, including the Stud prefix is to be stated in all entries and results.

Stud Prefix

- 13 (a) Each member who uses a Stud Prefix when recording or registering horses with the Association must register the Stud Prefix with the Association. The Stud Prefix can not be changed once a horse is registered
- (b) This shall be used as a prefix to and part of the name of every animal bred by the member and which is submitted for registration in the Stud Book, Foal Recording, Appendix, Special Appendix or Foundation Registry
- (c) A Stud prefix may not be used by another member or applied to a horse not bred by a member or to a horse which has a previously registered name with another breed.

Branding

- 14 (a) currently all horses should be branded according to Western Australian Department of Agriculture branding requirements. (These requirements can be checked on their website) For the purpose of identification and registration, we will accept a horse that has a DNA number or has been microchipped. One of which should be done within 6 months (south west land division) or before 18 months (pastoral location) of foaling or before leaving the property of the breeder whichever is the sooner.
- (i) Horses to be branded on the near side shoulder with the breeders registered brand and on the off shoulder with the breeding number over the last numeral of the breeding year of foaling.
- (ii) The breeding number shall indicate the order in point of time, which the animal was foaled in relation to other animals, (regardless of sex) of each first owner bearing the brand and tendered for registration. No two foals of the same owner may be branded with the same number within a decade.

(b) If it is found that an animal does not have the form of identification entered on its registration papers or it is incorrect, the Committee may otherwise direct that:

- (i) The animal be branded, DNA tested or microchipped and the Secretary be notified within 30 days, a fee may be charged for reinspection.
- (ii) If the identification is different from what is on the registration form a reissue of certificate fee will be charged.

STUD BOOK

Foal Recording

15 The Stud Book shall include a Register of Foal Recording for Cremello and Perlino. (accepted colours and factors refer to 17 (a), (b).

(a) Foals bred by members of the Association must be foal recorded within 6 months of foaling, on the appropriate form to the Registrar.

(b) Applications for foal recording will be accepted by new members as long as the horse is under the age of 2.

(c) All foals entered in a show must be foal recorded or have applied for foal recording prior to the show.

(d) All Foal Recorded horses must make application for adult registration prior to August 1 of the year the horse turns 3, should it be bred from or stand at stud. Application should be made at the time of breeding, should it be shown applications must be submitted 28 days prior to August 1.

16 Any Foal Recorded horse not submitted for Adult Registration within 12 months from the time the horse turns 3 will have the Foal Recording cancelled.

Adult Registration

17 The Stud Book shall include an Adult Register for Cremello and Perlino consisting of the following:

- (a) Register of Perlino:
 - (i) *Perlino (with Agouti) CrCr-EE/Ee-AA/Aa
 - (ii) *Perlino (with At Agouti) CrCr-EE/Ee/AtAt/AtA/Ata
 - (iii) *Perlino no Agouti (Black) CrCr-EE/Ee-aa
 - (iv) **Perlino Dun DD/Dd-CrCr-EE/Ee-AA/Aa or AtAt/AtA/Ata or aa.

- (b) Register of Cremello
 - (i) *Cremello (with Agouti) CrCr-ee-AA/Aa
 - (ii) *Cremello (with At-Agouti) CrCr-ee-AtAt/AtA/At/a
 - (iii) *Cremello (no Agouti) CrCr-ee-aa
 - (iv) **Cremello Dun DD/Dd-CrCr-ee-AA/Aa or AtAt/AtA/Ata or aa

*There is no obvious visible difference between the Perlino and Cremello whether they carry Agouti or not.

**Perlino Dun and Cremello Dun are automatically recognized in the Associations Dun registry but are registered and shown in the CPRWA registry.

- (c) All adult applications for registration of previously Foal Recorded horse must be made prior to August 1 of the year the horse turns 3.
- (d) No Cremello or Perlino shall be accepted for adult registration under the age of 2 years except in the case of geldings where there colour is Stud Book Class A.
- (e) Applications for Adult Registration of a Cremello or Perlino 3 years of age and over not previously Foal Recorded will be accepted provided that the applicant shall pay the prescribed fee for horses not foal recorded.

Appendix and Cream Appendix Registration

18 Registration of Appendix Horses for the purpose of the CPRWA progeny who are not Perlino or Cremello, will be done in the Buckskin, Buckskin/Dun or Cream Appendix register of the Association.

- (a) Palomino (with or without Agouti) nCr-ee-AA/Aa/aa are recorded for registration and showing purposes in the Associations Cream Appendix Registry.

19 The Stud Book for Adult Registered Cremello and Perlino will be split into the following Classes:

- (a) Stud Book Class A. For horses already in the studbook or their progeny as long as they are bred from a recognised stud book and have passed any colour test, if it was requested.
- (b) Stud Book Class B Horses that are not in the WABA Studbook or by a recognised breed stud book, which are presumed to be carrying the correct colour genetics (any horse not easily recognised to be carrying the correct colour genetics will still require a colour test).
- (c) Stud Book Class C for Horses that have parents that carry an undesirable colour gene, refer 3 (d), but show no visible evidence of having inherited that colour gene and have not been colour tested to prove they do not carry

Transfer and Leases

- 20 (a) No horse shall be recorded as transferred in the Associations Stud Book except pursuant to a signed transfer form from the previous owner which transfers the chain of title vested in such to the new owner.
- (b) Upon the sale, exchange, gift or other deposition of a horse registered

or recorded with the Association, an Association Transfer Form must be completed by the vendor and handed to the purchaser with the Registration papers for that animal. The purchaser must forward the Transfer form, Registration papers and Association membership application form (in the case of new members) to the Secretary within 60 days of the purchase. They must also include the transfer fee and any other applicable fees. Current members may forward the transfer and registration papers to the Registrar.

(c) In the case of a Lease of a horse registered in the Associations Stud Book, a copy of the lease must be lodged with the Secretary within 60 days. The Leaser must be a member of the Association.

Notice of Death

21 Notice of death of any horse registered with the association shall be given by the registered owner to the Registrar and the death shall be recorded.

Gelding

22 Each owner of a stallion or colt registered or recorded with the Association which has been gelded shall notify the registrar within 60 days.

Certificate of Service

23 (a) A certificate of Service evidencing the service of a mare to any stallion registered with the Association for breeding purposes shall be supplied by the owner of the stallion and given to the owner of the mare.

(b) Any person owning a registered buckskin stallion and taking mares for stud purposes must be a member of the Association before the Association will recognise the Certificate of Service for the stallion.

(c) A Certificate of Service shall be signed by the stallion owner and shall support the application for foal recording of such resulting foal from the mating.

(d) Official Certificates of Service are available from the secretary or on the Association website.

(e) Any member shall at the discretion of the Committee be liable to a fine in respect of each certificate not supplied within 60 days of payment of the service fee.

(f) the Association will recognise Service Certificates of all breed Association recognised in clause 9.

Fees

24 (a) The following fees will be determined by the Committee and shall be payable to the Association:

Annual Full Membership

Annual Junior Membership
Annual Family/Joint Membership
Associate Membership
Transfer
Foal Recording.
Adult Registration for Stallions, Mares and Geldings.
Adult Registration for Stallions, Mares and Geldings not
previously Foal Recorded.
Appendix, Cream Appendix and Foundation Mare
Stud Prefix Registration Fee
Reissue of Certificate Fee
Inspection Fee
Late fee
Change of Name
Futurity Nomination
Promotional Items

(b) Fees will be set from time to time at an Annual General Meeting and published in the Newsletters and the website. A list of current fees may be obtained by contacting the Secretary

De-registration

- 25 (a) A horse recorded or registered with the Association may be de-registered by the registrar upon written application to the Association by the owner of the horse.
- (b) A horse may be de-registered if it is proven that a breach in the Regulations regarding the registration of a horse has taken place, such horse shall be disqualified at the discretion of the Committee.
- (c) De-registration of any horse shall not affect the registration or entry of any foal of which such animal is the sire or dam if the registration or entry of such animal was recorded during a period of registration of the deregistered animal.
- (d) Any horse registered Stud Book who has Paint, Pinto or Appaloosa parentage or is registered with unknown parentage has progeny that show Paint Pinto or Appaloosa characteristics which have not come from the other parent, that horse will be de-registered.

Inspections

- 26 An Inspection may be requested for any horse at the discretion of the Committee even after the horse has been registered with the Association.
Relatives cannot inspect each others horses.

In-eligibility to Compete

- 27 Any member showing a horse which is ineligible to compete in any class (in hand or performance) shall be liable to a heavy fine at the discretion of the Committee and/or deregistration of the horse shown.

- (a) Ineligible horses are: unregistered horses, expired Foal Recordings and registered horses not transferred into new ownership.
- (b) Any horse belonging to a member who is not financial may not be shown in any class which is run by the Association or under the jurisdiction of the Association including the Perth Royal.
- (c) Points earned while the owner of the horse is not a financial member of the Association will not count for Merit or Annual Awards.

Merit Awards

(a) Age is between 1st August and the 31st July of their birth year.

(b) Nominators of Futurity entrants MUST be Current Financial members of the WABA or pay the prescribed insurance fee to enter that show.

(c) One owner may nominate as many progeny as desired but nominations cannot be transferred from one horse to another.

(d) A change in ownership or lease will not affect the eligibility, providing the transfer of ownership or lease has been accepted by the respective Association.

(e) Nomination fees and dates payable will be in relation to the respective event being entered.

Show Presentation

- 33 (a) Plaiting for shows is optional, it is not desired for horses competing in led classes only.
- (b) Dying of the body coat is not permitted.
- (c) Hooves should be painted their natural colour.
- (d) Stallions must be shown in suitable head gear for that animal.
- (e) Dress Code—Royal Show standard—Long sleeve shirt, tie, trousers or slacks, waistcoat or jacket in matching or neutral colours (in hotter weather jackets may be removed if judge isn't wearing a jacket). hat, protective leather footwear. ladies may wear a shirt (not tight) instead of pants, gloves optional or English or Western attire.

Conformation and Type for Registration and Judging

- 34 (a) There is no preferred type or breed and members are encouraged to breed the type of horse or pony they prefer. However it is required that the horse or pony be a good representation of the type or breed. There is no height or age bar on eligibility for registration.
- (b) When judging non specific classes, **colour is not a consideration**. All horses registered with the Association are to be judged on conformation, temperament and trueness to type.

Colour Factors for Registration and Judging

- 35 (a) When judging colour in specific classes set for looking at purity of and desirable colour, conformation, temperament and type should **not be** considered. For specific colour classification refer 17 (a) and (b).

Colour Classes at Shows

- 36 (a) Colour classes for Cremello and Perlino at association shows will be split. Except when entries are low.

Photos at shows

- 37 Any member has the right to take photo's of horses at shows but no member has the right to sell or distribute those photo's without the express permission of the association. No member can enter the judging ring to take photo's without first getting permission from the Show Secretary and the Official Photographer if one is present.

Regulations of the Association

- 38 These regulations, also known as by laws, themselves are not part of the rules of

association that are subject to the Western Australian, Department of Commerce, Associations Incorporation Act 1987.

(a) the regulations bind every member and the Association to the same extent and upon becoming a member, each member agreed to be bound by all their provisions.

Altering the Regulations

39 The Management Committee shall have the power to make, alter and rescind any Regulation (by law) that it considers necessary for the effective administration of the association, provided that no by-law may be inconsistent with the rules of the association.

40 Ordinary financial members may submit to the Secretary a 'notice of motion' to make, alter and rescind any regulation.

(a) Notices of motion submitted by members must be received by the secretary by the end of the financial year.

(b) Notices of motion will be tabled at the next Annual General Meeting.

41 No motion, the effect of which, if carried, would alter and rescind any regulation previously passed at any meeting held during the same financial year shall be entertained unless notice of intention to move the same shall be given to the Secretary at least (21) twenty-one days prior to the holding of the meeting at which it is proposed to move such motion.
